

CPI(M) has Disfigured the COMMUNIST MANIFESTO

GANASHAKTI with Fire to Serve the FRAUD

The Manifesto of the Communist Party has produced by the decision of the Communist League by K. Marx and F. Engels. It was the first declaration of the communist movement on the basis of scientific communism. No, doubt there was some historical limitation or error in it, what was even acknowledged by Marx & Engels later on even they expressed their views on this ground in its different introductions. But, they did not changed it, because, it was a historical documents.

No doubt, anyone has right & scope to support or oppose, defend or decline, protect or deny any documents of any one, but no one have right to distorted any documents or writings may be its important or not that does not matter. But, criminals don't care any policy except crime.

The Communist Manifesto as a historical document, therefore, it's out of any alternation, addition etc. Thus, no one have right to change it or deleted some words or sentence from it or to add some words in it in the name of translation. If anyone has done the same misdeed in any books or documents intentionally to gain the sectarian or some sorts of interest to confusing the concern peoples or readers of the that book is nothing but disfiguration or distortion; and sure, it's very simple that the such kind of disfiguration or distortion is nothing but cheat and fraud. Even, the capitalist laws do not allow anyone to do the same. Therefore, if

anyone has done the same fraud in translation of any book is a punishable crime by the criminal code of the capitalist society.

But, Leninist bosses did not hesitate to do the same fraud even with the Manifesto of the Communist Party. Therefore, it was necessary to write a book on it to open-up the ugly face of Leninist bosses for the interest of the working class to rebuild the communist movement on the basis of science of communism. There-after, “Leninists [CPSU- CPI(M)] has done fraud in translation of the Manifesto of the COMMUNIST Party Too” a book, published by the ICWF, July, 2001.

Certainly right, a party with a fake communist Manifesto is never considered as a communist party, or on the basis of a fake communist manifesto no party is communist but a fake one. So, no Leninist party is communist for a communist revolution which is only job of working class alone. Therefore, all Leninist parties are enemy of the working class.

Remarkable, the ICWF has published 8 books including – “Lenin Cheat & Betraying Marx So IMF the World Lord And.....” and all are available at market and at www.icwffreedom.org.

Therefore, anyone can support or oppose all these books or partly or as a whole or can differ with the findings or views or opinions described on those books. And at the same time anyone have the right to quote any things form these books as anyone like to do so. Or anyone have right to explain all these from various angels to different outlook in any media including net. Sure, we did it and will do the same in future to fight the Leninism, which is nothing but corruption of science of communism, therefore, it’s the shelter of the decayed capitalism by confusing the workers and thus, it’s poisonous for working class. So, rejection of Leninism is

unavoidable condition to rebuild the communist movement for a communist revolution, which is inevitable.

Certainly, an accused have right to defend by a fair policy by acknowledging the misdeed, or regret with a firm commitment to amend the wrong things there-by not to doing the same job in future or denying the charges with proper documents and proofs. Even, an accused have the right not only defend but also to frame the charge against the alligator that brought the false allegation but after getting free from the charges. Sure, an accused can say by the genuine proofs with logic that the claim of alligator is baseless and intentional if so. In this case, it's duty of defender to show the records openly and frankly without any fear.

But, an accused have no right to counter attack. But, criminal have no principles except crime. Therefore, no criminal is free from exercising the same criminal practice to hide their criminal acts to gain their heinous interest and to avoid the due course of action.

In this case, Leninist bosses are not exceptional, thus, they has been doing the same job with us. I think there is no such abusive terms what they do not using against us including agent of the CIA; and there is so many authorities of so many on line groups has expelled me from their face book pages or groups.

Sure, concern parties or their followers or supports have right to challenged us or they have right to prove the falsehood & lie of author of the books or particularly in case of the fraud with the Communist manifesto. Or they have the right to acknowledge the facts with a commitment to rectification. But, no one even the CPI(M) the second biggest Leninist party of the world did not do the same except practicing all kinds of heinous & evil things including expulsion from their various on line groups.

Finally, the GANASHAKTI, the official daily news paper (Bengali) of the CPI (M) has come to the scene to do the same job. However, what the authority of the GANASHAKTI has done with me on the case of disfiguration of the Manifesto of the CPI(M) to serve the fraud for the more & more cheating , and thus the full conservation of us i also published as follow as :

“GANASHAKTI ON Disfiguration of the COMMUNIST MANIFESTO:

Date-27-02-2013

A post by SHAH ALAM:

"CPI(M) is a party who has disfigured the Manifesto of the Communist Party in its Bengali version, even, it has deleted the so many things including " United action of the leading civilized countries at least is one of the first conditions for the emancipation of the proletariat." from it page no-44. But communist manifesto is yet effective & valid. However, communist is not fraud, But the CPI (M)? Certainly not free from cheat & fraud to serve the so reactionary capitalist class."

Sayak Banerjee Asim Dasgupta: Brother, I completely second your opinion but I am sure this bugger will find some way or the other to malign our serene party & its ideologies.I presume he is an activist from Bangladesh whose primary political objectives are way more than communal.So,in recent future let's be much more cagey enough before we let any doltish individual enter our "DEN"..

Sayak Banerjee: Gives rise to buffoons like Shah Alam, when Communist manifesto is so imprudently misjudged & barked up the wrong tree. It reminds of the saying "too much cooks spoil the broth" as too much of anti communism knowledge has spoiled his "BRAIN AND BRAWN"...

Asim Dasgupta : Shah Alam Most welcome... it's high time you got to take a stand. either you are a communist supporter then please refrain your self from abusing this party. or you are anti-communist then sorry the only thing i can say is that we all will miss you in this group.”

And meaning of the above post of Mr.Asim Dasgupta is very much clear. Therefore, due to disfiguration of the Communist Manifesto, what is nothing but a criminal acts, the CPI(M) is also a corrupt party. Though, the CPI(M) by born was not a working class party for a communist revolution, rather it was originated from Bolshevik Party of Leninism.

Therefore, the CPI(M) and its helping organs and divisions can do anything against working class interest as because, its tools of capitalism, which can do anything including war.

So, The Admin of the GANASHAKTI can fire me from his empire.

Shah Alam
