

ALL LENINIST PARTIES ARE **SPREADING LIES**

All Leninist parties are spreading lies about communist Marx by marking him as a philosopher and ideologist. Noted, communists are scientist.

All Leninist parties are spreading lies about the writings of communist Marx by claiming that his writings are his ideology and his ideology is for the so-called national liberation.

All Leninist parties are spreading lies about capitalism - a modern global society of numerous commodities with a world market, based on selling and buying but rooted on private property, currently in moribund condition.

All Leninist parties are spreading lies about socialism- the historical consequence of capitalism, free from commodity, seling and buying, wage slavery, exploitation of men by men, capital, class and class rule thus, its free from ideology, politics and political organizations including state.

All Leninist parties are spreading lies about communist revolution- the culmination of contradiction of the capitalist class and the working class- the producer of capital-the unpaid labor for abolishing capitalist property for vanishing capitalist class for replacing so-waste capitalism for communism- a scientific society of equals based on social property for the emancipation.

All Leninist parties are spreading lies about communist party- a working class party to unite the workers of the world for the communist revolution for communism- a most modern society but free from all kinds of chain originated from private property but made by the rulers- the political servant of the exploiter ruling classes to chain men by men to rule to oppress and overpowering by the exploiter ruling class for liberty and freedom of everyone of the world.

All Leninist parties are spreading lies about liar Lenin- a cunning politician of capitalist interest who tried to protect the decayed capitalism by confusing and dividing the workers of the world by Leninist politics- the politics of so-called national liberation and state capitalism. Noted, unity of workers of the world is the first condition for the emancipation of the working class. Remarkable, workers have no nation and country but they have a world to win by losing their chain

All Leninist parties are spreading lies about Leninism- the corruption of science of communism, discovered by

communist Marx by discovering the code of capital and the code of society for change.

All Leninist parties are spreading lies about USSR- a state of state capitalism , founded by the Bolshevik party by a planned military coup at night. Noted, state capitalism is a waste form of so waste capitalism- the last and final exploitative and class divided society.

All Leninist parties are spreading lies about Bolshevik party- a reactionary capitalist party of Russia by its founding declaration, written by Lenin- one of the key founders of it to capture the state power of Russia for founding a democratic state of so-called peoples sovereignty by supporting the so-called national liberation. Noted, national emancipation is not possible because, all nations are inter-defended from all directions in capitalism rather, nationality, ethnicity etc will vanish in communism- a lovely and friendly society of a single one and undivided human being with full sense of humanity- a fellow feeling of everyone for all of the whole mankind.

All Leninist parties are spreading lies about the October -1917 event of Russia- a planned military coup at night.

All Leninist parties are spreading lies about Leninist party- a reactionary capitalist party.

All Leninist parties are spreading lies about ideology - a view of a claimed extra-ordinary but a cunning man of ruling class for the interest of the exploiter ruling classes.

All Leninist parties are spreading lies about science- a code of creation or formation or deformation or transformation or change of anything thus, science is a truth without chance to be a lie.

All Leninist parties are spreading lies about politics- the supreme policy of all evil policies, originated from the private property- a legal but totally unfair and unjustified object- the cause of all existing evil things, introduced by the dirty and cruel rulers of the brutal slavery society.

All Leninist parties are spreading lies about political party- a party of capitalist interest.

All Leninist parties are spreading lies about law- a chain made by the rulers to rule by chaining men by men for protecting private property from its illegal transfer for serving and protecting the interest of the exploiter ruling classes.

All Leninist parties are spreading lies about rulers- the political servant of the exploiter ruling classes.

All Leninist parties are spreading lies about state- a big bundle of huge chains.

All Leninist parties are spreading lies about state- the strongest oppressive machine of the exploiter ruling classes.

All Leninist parties are spreading lies about IMF – the controller of the world economy to protect moribund capitalism by avoiding recession- the non-curable but unavoidable disease of capitalism by the existing conditions of capital to avoid war – an organized killing, rape, arson, destruction, plundering etc but failed .

All Leninist parties are spreading lies about peasants- a fraction of exploiter capitalist class thus, the peasants are buyer of labor power of the agriculture workers by paying wage for producing agri-products for accumulating capital- the fruit of capitalist exploitation and thereby, peasants are the exploiter of the agriculture workers but the peasants are against industrialization to save from extinction their existence thus, peasants are trying to roll back the wheel of history so, peasants are reactionary.

All Leninist parties are spreading lies about liberty and freedom - a social condition of everyone to do or not anything freely.
